Widget 3000

[edit]

This "synthesis" box is the wiki article for the product being reviewed, where users can create a meta-review of the product, drawing on the reviews and experiences of others. It contains information such as common problems and solutions, pricing information, and links to similar or complementary products. It's basically like a Wikipedia article for the thing at hand. The other tabs are for asking specific questions, and for general discussion of the product.
